

HOTLINE 59:

Date: July 26th 2007

Dear members and friends,

This HOTLINE is important for all musher who intend to participate in the

2008 WSA WORLD CHAMPIONSHIPS Asarna, Sweden.

WSA has made arrangements with the **SCANDLINE Ferries** to receive a **20 % discount** for mushers participating in the 2008 W.Ch. in Asarna.

The discount applies to all **round trips** (not single trip) fares in the time period from

February 21st 2008 to March 12th 2008.

Soon there will be an official registration form/list on the Asarna W.Ch. website at

www.wsawc2008.com

Each musher needs to register on said form to become part of the discount program.

However, this is **NOT** a reservation for your trip. **No places will be blocked because of the list.**

In addition to registering on the form you have to make your own travel reservations directly with the SCANDLINES ferry company.

Also the payment for the trip will be made by you directly to **SCANDLINE Ferries**. Just refer to your registration as W.Ch. participant when you make your payment.

WSA and the **Organizers** hope that this arrangement will make the trip to Asarna even more attractive and we like to see as many participants as possible at the

WSA WORLD CHAMPIONSHIPS 2008

in beautiful Asarna, Sweden.

Good mushing,

Bernd Keusemann
